## Flight Crew

Allowing only the best in the industry to serve as your crew, MPI Jet will recruit, hire, and train highly qualified crew members. In addition to recruiting, hiring, and training your crew, MPI Jet manages all the daily details of your aircraft's personnel requirements. From administering payroll, employment taxes, and health benefits to managing ongoing employee relationships and conflict resolution, your crew is taken care of by a professional human resources team.

## Industry Safety Expectations

At MPI, we strive to continually exceed the industry's safety minimums. Year after year, our team and operations are audited by ARGUS: an international aviation safety assessment group. Earlier this year, our team received the ARGUS GOLD safety standard award. Furthermore, our team utilizes a safety management system (SMS) which helps to assure the effectiveness of safety risk controls, procedures, practices, and policies. Once a month, our team meets to discuss safety metrics, updates to procedures, and any potential flight risks.
